

POSITION ANNOUNCEMENT
Career Coach/Career Education Instructor

PORTLAND YOUTHBUILDERS

Portland YouthBuilders (PYB) is an alternative high school and job-training program with the mission to support low-income young adults, ages 17-24, who are committed to changing their lives to become self-sufficient, contributing members of the workforce and their community. At PYB, students complete high school with a GED or diploma and develop marketable employment skills by learning to build affordable housing from the ground up or learning to refurbish computers and teach technology skills to senior community members.

PYB is deeply committed to continuously working to make our organization a more equitable and just place for both students and staff. As it is written in our [equity statement](#): *At PYB, we believe that communities are strengthened when diversity is honored. We believe we have a responsibility to interrupt and confront inequity. At PYB, we commit to continuously reflect and challenge the ways in which we, as a community, and as individuals, perpetuate inequity. It is not only vital to our students' success but essential to our purpose.*

The ideal candidate will be committed to our mission and equity statement, and will be inspired by working with young people from diverse backgrounds as they transform their lives through learning and service.

POSITION SUMMARY

Provide comprehensive career coaching to students to help them make informed career choices, develop an individualized career plan including post-secondary goals, and provide long-term support through their success in career-aligned employment. Career coaching is provided to students in one-on-one meetings and in group settings-both in person and remotely, using phone, email, Zoom, social media and other communication tools. Assist in developing curriculum and providing instruction for Career Exploration classes. Work closely with other departments (counselors, teachers, trainers) to support students as they develop the knowledge, skills and habits necessary for success in post-secondary education, training, and careers.

Note about PYB operations during COVID-19 pandemic: *PYB has offered a full-time distance learning program to our participants since April 2020. Though PYB will reintroduce face-to-face on-site services as soon as it is safe to do so, the successful applicant for this position must have the ability to provide the services described in this announcement using numerous remote and/or digital tools, as well as in person post-pandemic.*
