**ANNOUNCEMENT
AMERICORPS TECHNOLOGY SUPPORT SPECIALIST
FULL-TIME STIPENDED VOLUNTEER POSITION
POSITION TO START WINTER 2023**

POSITION SUMMARY

Portland YouthBuilders (PYB) is an alternative high school and job training program dedicated to serving young adults, ages 17-24, who want to transform their lives. PYB's multi-year program focuses on assisting students to complete high school with a GED or Diploma, obtain job readiness skills, become critical thinkers and community leaders, complete their post-secondary education/training goals, and successfully launch their careers. Our program offers multi-year support to help students achieve their long and short term goals in employment and post-secondary education and training. PYB's community partnerships support these goals and enable students to access resources. In addition, these partnerships strengthen placement options for our students. This position is a good opportunity for those considering going into the field of Education, particularly alternative education, and the person taking this role will receive mentorship from experienced teachers. The person in the position will also have the opportunity to learn how to proctor testing and coordinate volunteer tutors.

Our student population is diverse, and many students face barriers which interfere with their success both at PYB and in their hopes for the future. PYB offers support to help students resolve, manage, and overcome these obstacles.

PYB is deeply committed to continuously working to make our organization a more equitable and just place for both students and staff. As it is written in our [equity statement](#): At PYB, we believe that communities are strengthened when diversity is honored. We believe we have a responsibility to interrupt and confront inequity. At PYB, we commit to continuously reflect and challenge the ways in which we, as a community, and as individuals, perpetuate inequity. It is not only vital to our students' success but essential to our purpose.

The ideal candidate will be committed to our mission and equity statement, and will be inspired by working with young people from diverse backgrounds as they transform their lives through learning and service.

PURPOSE AND SCOPE

This is a full-time (40 hours/week) position as an AmeriCorps member of Portland YouthBuilders (PYB). The Technology Support Specialist AmeriCorps position is responsible for helping to build and guide a team of youth to use basic technology skills to creatively solve problems, to refurbish and troubleshoot computer hardware and software, provide support to technology in the community, as well as support Technology Instructor in teaching students basic Tech skills. The Technology Support Specialist is not staff role, and thus does not provide supervision to YouthBuild AmeriCorps members. Instead, the AmeriCorps member provides an additional layer of leadership and support. Additionally, they assist by providing information and resources on best practices and/or by helping to develop the technology portion of the YouthBuild program.

The Technology Support Specialist will also provide support, guidance and encouragement in the development of youth leadership and personal and professional development.
